

# 2024 National Programs

Unless otherwise indicated, all courses are in the Virtual National Program (VNP) format. Instructors and participants connect “live” via Zoom for class sessions at the days and times indicated for each course. All courses are held from 12-4 pm Eastern Time.

Faculty certification will be available at all ICM course offerings listed below. Tuition is free for faculty candidates.

Please register as early as possible, preferably at least one month before the first course date to avoid being placed on a wait list. This allows us to plan for a successful offering of the course. Registration will continue up to the start of each course. If the course cannot be held due to low registration numbers, ICM will cancel the course 7 days in advance of the first course date and those registered will be notified via email.
